# The Seven Churches of Asia Minor

**Understanding Revelation Chapters 2–3**

Jesus Christ, speaking through the Apostle John, addresses seven real congregations in Roman Asia (present-day western Türkiye). Each message reveals what Christ values, what He calls His people to change, and His promises to those who overcome. Revelation 2 covers the first four churches; Revelation 3 covers the remaining three.

| Church & Scripture | Christ's Assessment and Lesson |
|---|---|
| **Ephesus (2:1–7)** | Faithful in doctrine and hard work, but had abandoned its first love. Lesson: Return to wholehearted love for Christ and others. |
| **Smyrna (2:8–11)** | A suffering, materially poor church that was spiritually rich. Lesson: Remain faithful through persecution; do not fear. |
| **Pergamum (2:12–17)** | Held to Christ's name, yet tolerated false teaching and compromise. Lesson: Reject compromise and hold firmly to truth. |
| **Thyatira (2:18–29)** | Known for love and service, but tolerated corrupting teaching and immorality. Lesson: Practise discernment, holiness and perseverance. |
| **Sardis (3:1–6)** | Had a reputation for being alive, but was spiritually asleep. Lesson: Wake up, repent and strengthen what remains. |
| **Philadelphia (3:7–13)** | Had little strength yet faithfully kept Christ's word. Lesson: Continue steadfastly; Christ opens doors no one can shut. |
| **Laodicea (3:14–22)** | Was wealthy and self-satisfied, but spiritually lukewarm. Lesson: Repent, depend on Christ and welcome His fellowship. |

### The central message

Christ knows His Church. He commends faithfulness, confronts sin, calls believers to repentance, and promises eternal life and fellowship to those who overcome. His repeated invitation is: "He that hath an ear, let him hear what the Spirit saith unto the churches" (see Revelation 2:7, KJV).

*Reflection: Which of these messages most challenges our congregation today—and what action should we take?*
